# 2021 Advanced AgriStability Workshops for Accountants and Tax Filers

---

The AgriStability Program invites you to its new free web based Professional Development Seminars. These information sessions will give Tax Filers an advanced understanding of the AgriStability program. There will be 3 advanced sessions, each focusing on commodities from different regions.

## Who Should Attend:

Finance professionals who have taken the basic AgriStability webinar and would like a more in-depth understanding of the program. This workshop will be particularly beneficial to those who are involved in the preparation of financial statements for large or small farming operations.

## Topics Covered will include:

- Structural Changes
- Accrual and Inventory Adjustments
- Live examples of calculating benefits

## How to Obtain CPD Credits

At the end of the session you will be required to complete a feedback survey in order to receive your certificate to qualify for CPD credits through CPA BC.
