

PEACE REGION  
LIVING LAB

# You are invited to the Soil Health Caravan

Rain or Shine  
Lunch included

August 1, 2024

9:00 am

Donnelly, Alberta

NE 8-77-20 W5

55.662644, -117.054975

Twp Rd 772 and Range Rd 204

See how different  
tires and tracks  
impact your soil

## Event Details

Registration is required before July 30, 2024

To Register visit [www.sarda.ca/events](http://www.sarda.ca/events) or call 780-837-2900

The Soil Health Caravan showcases a variety of soils, their characteristics, drainage issues, and how they react to tire pressure during field operations.

These are 4 practical workshop modules that will allow you to better understand your soil, adapt your practices subsequently, and thus improve your productivity.

Santé *des* Sols

This project was carried out under sub-component 3.2 of the Prime-vert Program 2013-2018 of the Ministry of Agriculture, Fisheries, and Food.

# Soil Health Caravan

## Santé *des* Sols Agenda
